Reviews

This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.

A CLERGY HUSBAND'S SURVIVAL GUIDE

SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, A Clergy Husband's Survival Guide, Matthew Caminer, Women now comprise almost half the priests serving in the Church of England. As a result, there are many male clergy spouses who have had to come to terms with the seismic shift that occurs in family life when a wife embarks on the journey from exploration of vocation - through selection, training and formation - to ordination and a life of ministry. The author had his own busy career when he suddenly found himself playing second fiddle rather than being the 'doer' in the household. Not only did this subtly affect his marriage, but as friends and acquaintances became 'parishioners', he was required to respect boundaries, to be discreet and often to carry the burden of unsought confidentiality. Drawing on these experiences and those of many fellow clergy spouses, this volume is a practical, informative and engaging guide to the joys and challenges of being married to a vicar. Part one deals with the process from initial call to ordination and beyond. Part two helps clergy husbands work through what their new role might involve. Part three looks at lifestyle and family issues, while Part four offers support and sensible advice if things go wrong.
