

A Guide to Pruning Fruit Trees for a Productive Orchard

By Fred Coleman Sears

Chandra Chakravarti Press. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. This early work on orchard pruning is both expensive and hard to find in its first edition. It contains information on the techniques and tools used in maintaining a productive orchard. This is a fascinating work and highly recommended for the amateur fruit grower. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. This item ships from La Vergne, TN. Paperback.
