Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

A SENTIMENTAL EDUCATION

DOWNLOAD

Paperback. Book Condition: New. Not Signed; With an Introduction and revised translation by Adrianne Tooke. Sentimental Education has been described both as the first modern novel and as a novel to end all novels. Weaving a poignant love story into his account of the 1848 revolution, Flaubert shows a society in the grip of stereotypes, on every level. There is something farcical in his depiction of characters who aspire to act but are dogged by cliché at every turn. To a greater extent even than *Madame Bovary*, *Sentimental Education* is an indictment of modern consumerism, contrasting the hollowness of material achievement with the lasting beauty of the ideal. Flaubert's study of success and failure offers us a terrible sadness in a terrible beauty, yet is one of the world's great comic masterpieces. book.
