Dover Publications Inc., United States, 2007. Paperback. Book Condition: New. 300 x 226 mm. Language: English . Brand New Book. Unique and comprehensive, this collection features a tremendous variety of slow movements for keyboard players, consisting of 60 pieces that span three centuries. Pianists will discover the music of many moods, from dreamlike nocturnes and lullabies to moving elegies and romantic slow dances, all reproduced from authoritative editions. Highlights include selections from the sonatas of Haydn and Mozart, Chopin preludes, and classics such as the opening movement of Beethoven s Moonlight Sonata, Bach s Sinfonia in F Minor, and Debussy s Claire de Lune. Some pieces vary slightly from adagio tempo, but all are slow-paced, stately compositions that will enchant pianists at an intermediate level and beyond.
