

## The Illustrated Boat Dictionary in 9 Languages

By Adlard Coles, Vanessa Bird

Bloomsbury Publishing PLC, United Kingdom, 2014. Paperback. Book Condition: New. Multilingual. 244 x 188 mm. Language: English . Brand New Book. The Illustrated Boat Dictionary in 9 Languages is a first - annotated illustrations arranged by topic allow quick communication when something goes wrong abroad. Centred around clear, full colour, annotated diagrams in each subject area, the dictionary makes it easy and convenient to translate between nine languages (English, French, German, Dutch, Spanish, Italian, Danish, Portuguese and Greek). The diagrams can easily be used to show someone what is meant (or what is broken!) without having to worry about the language barrier. And it also facilitates learning new words in each language with this helpful visual reference. From general terms such as port and starboard to technical words relating to engine and rigging repair and maintenance, The Illustrated Boat Dictionary in 9 Languages is amazingly comprehensive, and even includes supplementary terms for many topics even when they don't feature in the illustrations. Topics include: sailing terms, parts of a boat, boat maintenance and repair, navigation, weather, seamanship, requesting help, medical emergencies, safety equipment, numbers and time.
