DECISION MAKING: TOWARDS AN EVOLUTIONARY THEORY OF HUMAN ACTION

Sussex Academic Press. Paperback. Book Condition: new. BRAND NEW, Decision Making: Towards an Evolutionary Theory of Human Action, Mauro Maldonato, Since the dawn of time human beings have had to make decisions. Wise or foolish, thoughtful or instinctive, altruistic or selfish, decision-making - from the most simple to the most complex - enables people to confront and overcome constant environmental challenges. Yet, despite the momentousness of decision-making in adaptability terms, men and women ignore the actual process that takes place...

Reviews

This ebook is definitely not effortless to get started on reading through but very fun to read through. it was actually writtern very perfectly and valuable. I discovered this ebook from my dad and i suggested this book to understand.

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
