

Riep Chart: Basic Electricity

By MR David Zellmer

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.By popular student demand the workbook, RIEP Chart basic circuit analysis is now available. This workbook is for general circuit analysis. On the DC side it will cover series, parallel, and complex (series/parallel) circuits. The AC side this workbook will go to series RCL and parallel RCL circuits. It is for students in a formal learning environment with an instructor who understands and can teach basic electricity. It has been used for over twenty years with the best results for student success. It should be noted that the solutions to the different problems are NOT inside this workbook. That is by design so the instructor can control the formal process. The answers along with the recommended teaching points with the best practices for circuit analysis can be found inside the instructor workbook, Secrets of the RIEP Chart. One last thing, the lab equipment and materials mentioned and needed for the completion of the worksheets are not included with this workbook.
