Academia Verlag GmbH Mrz 2007, 2007. Buch. Book Condition: Neu. 237x170x20 mm. Neuware - More than 200 scholars from 35 countries dealt with New Aspects of Sport History. Seen within the context of globalisation and worldwide ideological conflict, the technological development and political and economic changes of the past two decades have had a significant impact on the area of Sport and Physical Education. New challenges have emerged for Sports Science, in general, and for Sport History, in particular. The 9th ISHPES Congress focused on innovative trends as well as on new research and dissemination methodologies, new paradigms and fields of interest. It aimed to underline the relevance of Sport History for the future development of sport and its essential role in intercultural dialogue. In this volume 13/2 of the ISHPES Studies the ISOH publishes all 28 presentations of the conference proceedings on Olympic issues. The other conference papers are published in volume 13/1 and cover topics like Minorities and National Identity, Eastern Europe: Sport in the Transition of the Growing European Community, Biographies, Significance of Sports Museums and Methodological Approaches. There is a special price of 54,00 Euro for volume 13 containing volume 13/1 and 13/2 with all contributions of the conference. The articles are published in English, French and German. At the end of the book the reader can find abstracts of all articles in English. Contents 1. History of the Organisations: Jan Schönherr: International Society for the History of Physical Education and Sport Karl Lennartz: International Society of Olympic Historians 2. Olympic Education and Values: Carly Adams: Alternative Models for Education Youth through Sport: An Historical Examination of the Olympic Youth Camp, 1912-2004 Konstantinos Georgiadis: 45 Years of Olympic Studies and Olympic Education in the International Olympic Academy Guy-Lionel Loew: Analyse interculturelle des discours sur l'amateurisme -...
