RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 56 pages. OCLC Number: (OCOLC)613342379 Subject: Drivers licenses -- United States -- States. Excerpt: . . . Appendix I: Briefing Slides Scope and Methodology ( cont. ) We conducted work in four states ( Maryland, New Jersey, Washington, and Wisconsin ) identified by knowledgeable researchers and practitioners as having at least two entities with such practices in place. Although we made efforts to obtain as complete information as possible, there may be other practices, or entities that implement such practices, in these four or other states, that we did not identify as part of this study. In each of the four states, we interviewed state officials in the department of motor vehicles and the child support enforcement agency, representatives of the court system, and staff of other organizations involved in implementing the practices. Finally, we reviewed the relevant federal laws, as well as those in the four states in our review. We conducted our work from November 2008 to February 2010 in accordance with all sections of GAOs Quality Assurance Framework that are relevant to our objectives. The framework requires that we plan and perform the engagement to obtain sufficient and appropriate evidence to meet our stated objectives and to discuss any limitations in our work. We believe that the information and data obtained, and the analysis conducted, provide a reasonable basis for any findings and conclusions. For example, child support enforcement agencies in other states may have similar practices in place. We did not attempt to identify and 7 describe practices used by child support enforcement agencies nationwide; our focus was on selected states, identified as having at least two entities with such practices in place.
