It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MCKNIGHT IN SHINING ARMOR

Random House USA Inc. Paperback. Book Condition: new. BRAND NEW, McKnight in Shining Armor, Tami Hoag, #1 "New York Times" bestselling author Tami Hoag tells a story of romance on the rebound in this classic novel about a woman torn between the demands of her career and the desires her new love has awoken within her. When did love get so complicated? That's the question Kelsie Connors keeps asking herself. Stung by a bitter divorce, Kelsie's been married to her job as a high-end animal wrangler ever since. So when her disastrous first encounter with advertising executive Alexander McKnight--a man so gallant he'll overlook the destruction of his office by an out-of-control chimpanzee--blossoms into romance, she finds herself in uncharted waters. She certainly never expected to fall for a man this charming, this flawless, this quickly. For Alec, Kelsie's devotion to her career is the only thing keeping her from saying yes to the best business proposition of all: a new relationship. He'll try every trick in his arsenal to get her to put down the phone, set aside her calendar, and let him care for her and her two children. But with only so many hours in the day, can she set aside enough time to learn to love again?.
