 Jabuti wasn't a happy person. Never had been, never will be - or so he thought. That was until a fateful meeting with the village shaman and the telling of a dark secret about his childhood. Stumbling out of the medicine man's hut into the glare of the midday sun his head swam with emotion. Emboldened by the shaman's revelation he embarks upon an epic venture into the rainforest to seek further answers to his past. Accompanied by his two life-long friends they set off in high spirits, unaware of the presence of a sinister and malevolent stranger whose paths are yet to cross. A clashing of two different cultures will change the three friends' lives in ways they could never have imagined. Will the friends survive their perilous journey? Will Jabuti find the inner peace he has yearned after for so long. . . This remarkable novel is an inspirational story for adults and mature teenagers alike.
