### **Reviews**

*A really great publication with perfect and lucid explanations. Of course, it is play, continue to an amazing and interesting literature. I discovered this book from my i and dad suggested this publication to find out.*

*(Dr. Augustine Borer)*

## THE RISK OF BREXIT: BRITAIN AND EUROPE IN 2015

Rowman & Littlefield International. Paperback. Book Condition: new. BRAND NEW, The Risk of Brexit: Britain and Europe in 2015, Roger Liddle, This is a critical time for the relationship between Britain and Europe, as politicians debate the balance of competencies between governance at EU and national levels. Charting how recent political developments have changed the debate surrounding Britain's membership of the European Union, this book poses a series of questions about how this debate will unfold over the course of the coming months and years: \*How has the renegotiation agenda shifted? \*How will EU partners respond to threats of departure from Britain? \*What is the impact of the rise of rightwing parties like Ukip? \*What will the 2015 general election and its highly unpredictable outcome change? \*What are the politics of a referendum on membership in 2017? By seeking answers to these questions, Roger Liddle assesses whether a series of miscalculated gambles by David Cameron and his forebears have left Britain teetering on the edge of Brexit.
