Language: English Brand New Book ***** Print on Demand *****.Excerpt from Archaeologia Aeliana, or Miscellaneous Tracts Relating to Antiquity, Vol. 3 The Society of Antiquaries of Newcastle-upon-Tyne has this day met to celebrate its forty-fifth anniversary; and in presenting the Report of the past year, the Council feels that it is performing an easy and an agreeable task. The anticipations of success so liberally indulged in in the Reports of preceding years have not failed to be verified during the past twelve months. In spite of bad times and much local anxiety and distress, the number of members has increased, while the admissions to view the Castle, and the collections therein, considerably exceed the average of former years. Another volume of the new series of the Arch ologia AEliana, the second of the 8vo form, has been this day completed, and is now ready for distribution to the members. Throughout the year the several parts comprising this volume have been regularly delivered to the members on the appointed day, and your Council has every reason to believe, that under the able editorship of Mr. Lougstaffe, the same course will be steadily persevered in, while the Papers inserted will continue to maintain the high standard they have hitherto held. Your Council has reason to know, that the regular publication of the Arch ologia AEliana has caused many gentlemen to join the Society, while the able reports of the Proceedings given in the Gateshead Observer after every meeting, and placed at the end of every trimestial part, gives so complete a resume of the meetings, that an extended Report on this occasion is really superfluous.
