Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you need a workbook to get your students into game shape for the STAAR Math exam? Do you need a workbook that is 100 aligned to the most recent standards? That presents questions just like those your students will see on the STAAR? That is uncluttered, easy to navigate, and is not intimidating to children? Queue s Rise Shine Series provides educators with the means to engage their students and to practice and reinforce the skills and concepts essential for success on the STAAR and in the classroom. These workbooks are an indispensable teaching tool! Each of these workbooks provides on-grade-level mathematics practice. Our Grades 3-8 Mathematics titles are 100 aligned with the STAAR standards for mathematics. Hundreds of practice questions ensure that students are familiar with the STAAR mathematics exam format before walking into the test. Questions match the format that students can expect to see on STAAR exams. Many questions involve graphic representations, an important part of the STAAR exam. 2 full practice tests are included in each workbook. Practice tests can be used as pretests and posttests. Teacher editions include extensive test-specific introductory guides and show correct and suggested answers for each of the questions asked, as well as the targeted skill for those questions. Our mathematics workbooks are the most effective test preparation tools available! These books are also great for home schooling!.
