THE GREEDY KING AND THE LEPRECHAUN

Lulu Publishing Services, United States, 2014. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This short, Irish Fairytale is about a greedy, young king who has just inherited his father s throne. He is so greedy that he orders his men to go out and take from the people all the gold and treasure they can find. The King s greed knows no bounds and eventually he is compelled to go in search of a magical creature that lives in the Dark Forest, rumored to have a pot of the most beautiful gold all to himself. John Rafferty is a lawyer in Dallas, Texas. Originally from County Tyrone in Ireland, this fairytale was a bedtime story he made up (over countless renditions) for his daughter Kaylin. She liked it so much that he decided to make it into a book for other children to enjoy. This is a great nighttime story for young kids and is also ideal for beginning and intermediate readers.
