YOU CALL THIS AN ELECTION?

Hardback. Book Condition: New. Not Signed; Those who do not have their heads buried too deeply in partisan sands will know that there is something awry with the American form of electoral democracy. No look at our peculiar democracy would be complete without an examination of other established democracies, nor a look at how special interests warp political parties and the concept of majority rule. With these proposals, he encourages the creative consideration of election reform, and shows how the Florida 2000 race may have played out had these suggestions been in place. Schier's book appeals to any and every...
