Ralph Waldo Emerson as its ingenious prototype for the American Scholar formulated ideas that created a base for a transcending Civil Religion that seems to be the foundation of the American self-concept. This Civil Religion was also the base for the politics of one of the most conservative politicians of the 20th century, Ronald Reagan. In my work I want to show that Emerson's ideas and the politics of Ronald Reagan don't exclude each other. Both, Emerson and Reagan, can be regarded as excellent speakers and writers, well versed in their rhetoric means. I want to show that there is a common ground where the ideas and the rhetoric of these seemingly contradictory characters meet, which supports the idea of an overarching...
