

## The Practice of System and Network Administration (2nd Revised edition)

By Thomas A. Limoncelli, Christina J. Hogan, Strata R. Chalup

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, The Practice of System and Network Administration (2nd Revised edition), Thomas A. Limoncelli, Christina J. Hogan, Strata R. Chalup, The first edition of The Practice of System and Network Administration introduced a generation of system and network administrators to a modern IT methodology. Whether you use Linux, Unix, or Windows, this newly revised edition describes the essential practices previously handed down only from mentor to protege. This wonderfully lucid, often funny cornucopia of information introduces beginners to advanced frameworks valuable for their entire career, yet is structured to help even the most advanced experts through difficult projects. The book's four major sections build your knowledge with the foundational elements of system administration. These sections guide you through better techniques for upgrades and change management, catalog best practices for IT services, and explore various management topics. Chapters are divided into The Basics and The Icing. When you get the Basics right it makes every other aspect of the job easier--such as automating the right things first. The Icing sections contain all the powerful things that can be done on top of the basics to wow customers and managers. Inside, you'll find advice...
