JOYOUS GREETINGS: THE FIRST INTERNATIONAL WOMEN'S MOVEMENT, 1830-1860

Oxford University Press USA, UK, 2000. Softcover. Book Condition: New. First Edition. Available Now. Book Description: Between 1830 and 1865, a very radical international women's movement rose and fell in the West; this is the first book to tell its story. Joyous Greetings recounts the lives and works of the heroic women who challenged the entire system of male supremacy in the United States, England, France, Germany and Sweden. Anderson's Book provides the lost roots to modern feminism and introduces us to a cast of forgotten women, with important implications for American and European history. : Review: "In this new look at the networks established among early nineteenth century feminists, Bonnie Anderson documents the importance of international influences in the building of movements for women's emancipation. The book challenges the idea that these movements were uniquely national in character and insists instead on the fact that feminism was an international movement from its inception. Joyous Greetings, clearly and passionately written, is a welcome addition to the history of feminism."--Joan Wallach Scott, Institute for Advanced Study"Bonnie Anderson has given us a very original and exciting portrait of 'the first international women's movement.' From the women's rights activists of Seneca Falls, New York, to the 'Vesuviennes' of Parisian Street battles, she shows us women who knew themselves to be sisters and struggled for the universal emancipation of their sex. Anderson's work will permanently alter how we will see a whole generation of pioneering European and American feminists."--Ellen Carol DuBois, University of California, Los Angeles"Joyous Greetings is joyous news to nineteenth-century women's historians in the U.S. and Europe. Tracing the personal and political connections among a core group of twenty woman's rights advocates from the U.S., England, France, and the German states, many of whom met each other as they travelled or migrated...
